Dear Sir/Madam,

Gondia Education Society's Chhotabhai Javerbhai Patel Arts & Commerce College Tirora, cordially invites you to One Day National Level Conference on ***"Contribution of Mahatma Gandhi : National Integration and Its Relevance in Today's India"*** on 27th September (Saturday) 2014.

About Institution

The Chhotabhai Javerbhai Patel Arts & Commerce College, Tirora has been established in 1966 by the eminent personality late Shri ManoharBhai Patel, the then President of Gondia Education Society, Gondia. It is one of the senior most and reputed institutions in Vidarbha and has been affiliated to the Rashtrasant Tukdoji Maharaj Nagpur University, Nagpur. This institution has been imparting Higher Education in Arts and Commerce stream right since it's establishment. Later it has been accorded permission by the Govt. of Maharashtra to set up the Science Stream. Thus, in the academic year 2008-2009 the Science Stream came into force.

The institution has its mission to aim at excellency in Higher Education, all over development of individual personalities and making them patriotic, responsible and useful member of the society. We are struggling hard to fulfill the mission by rendering our services to the students belonging to the rural and backward areas of the Tahsil Tirora. The most qualified faculty is engaged to achieve the goal and the non teaching Staff & the stakeholder are at their services in this consequence. The pupils of this college, offering Political Science subject are much interested to know the world-wide activities and to share their views in developing the feelings of the people. They are keen to change the outmoded thinking in them. Some of the students have achieved brilliancy in this subject and have joined Govt. as well as social services. The college is very much proud of them.

About Conference

Mahatma Gandhi, the father of the nation, is one of the renowned personalities in India who brought freedom to the country in 1947. The great revolution of freedom could only get success through his tireless struggle and peaceful revolution against the British Government. Thus, he achieved name and fame in India as well as abroad. His efforts, till his last breath, was to unite the people of the country through his pious philosophy of truth, love and non – violence. This philosophy is still useful in integrating the national human beings.

Today the country is facing so many problems and challenges that contain class, creeds languages, cast and religion which are dividing the people of the country. The only sacred philosophy of Mahatma Gandhi is enough to unite the people of the country and to teach to live as one to meet the challenges in their life. Aiming this, we have organized this National Conference in the college which we hope, will encourage the teachers, researchers and scholars in their future.
